

The April issue of the Golden Eagles magazine, The Golden Contrails, has been published and is posted on the Golden Eagles website, [www.thegoldeneagles.org](http://www.thegoldeneagles.org), in the Contrails section. Along with the publication of the magazine, the password for accessing the magazine, the member rosters, officer documents and the archived blast emails has been changed to **heading**.

This is the first issue of the magazine that is only being distributed via the internet in a digital format. Sadly, as previously announced, the cost and labor/time involved in producing the hard copy of the magazine dictated that the Golden Contrails be produced in a digital format only. Our President/Magazine Editor, Gary Small, has produced another very interesting issue for April, and our Treasurer/Webmaster, Bruce Sprague, has posted the magazine on our website for easy access.

Please continue to support our magazine with your input of personal stories or interesting aviation trivia. Gary can only come up with so many war stories and humorous tidbits on his own, and he really needs your contributions! Your submission can be emailed to Gary at [smallgd@outlook.com](mailto:smallgd@outlook.com).

We would also encourage you to use the "Crew Room" feature on our website in the

Contrails section. There is a form for you to submit with any personal information you would like to share with your friends and old flying comrades. The following link will take you to this section:

<https://www.thegoldeneagles.org/crew-room.html>

The information you submit will be published in the subsequent Golden Contrails magazine issue.
