

We recently sent a notice to all Golden Eagles members regarding a Continental Airlines LTD program. The information provided was sent to us by a Golden Eagles member, Captain Dorothy Clegg, and we, as a courtesy to our members, shared the information with them at Captain Clegg's request.

As you may recall, we alerted Golden Eagles to this issue last August and members are invited to review the archives on our website, www.thegoldeneagles.org, in the Membership section under Archived Blast Emails. Scroll down through the list of emails to the Miscellaneous heading and then click on the August 2022 dates to access the two entries related to the LTD issue.

The graphic below depicts the message that was sent in August of 2022. It has been posted here for your convenience and you can click on the graphic or the link under it (with the gray background) to access the LTD information and the list of pilots affected.

While we always choose to refer information that MAY be useful to SOME, this is a complicated matter that the Golden Eagles have no direct knowledge of, other than referenced above and are unable to participate in to any further extent.

The Golden Eagles hopes that those pilots who are attempting to recoup funds they feel are owed to them will be successful and that the issue will be resolved with minimal difficulty.
