

The sad news that former Continental pilot and Golden Eagles member Captain Paul Shelton has flown West was just received from Golden Eagles member Captain Bill Foster. Captain Shelton flew west on March 7, 2024 at the age of 85.. There is no further information available at this time and this notice is provided pending receipt of additional information.

The Golden Eagles sends condolences to Paul's family as they grieve their unfortunate loss. Paul was a fine gentleman, always of good nature and pleasant to be around. We will miss his ever present smile and friendship. May he have smooth air, favorable winds and clear skies for his flight West. Rest in peace Captain, and Godspeed on your final flight West.
