

Greetings Hill Country LAC members,

I need a little guidance here, so please help me out. As we all know only too well, the Coronavirus is big news these days, although I personally think the press and the general public are over-reacting a bit to the whole thing. Of course it is a good thing that airline pilots only drink cheap beer like Bud Lite instead of the more expensive Corona, so no problem for us...right? ☐

Seriously, the issue seems to be more critical for "older" folks, like over 80, which is me and some of you, but I don't feel that a lunch at the Pecan Street Brewery will be instrumental in any of us acquiring the bug, particularly if we wash our hands and don't pick our noses! ☐

So I need a "show of hands" for those who wish to have and will plan on attending the luncheon. If only a few of us desire to have the lunch, we will probably have it anyway, but if *no one* wants to have it, then I guess it will just be little old me having lunch, in which case I will probably bring my girlfriend along, who also happens to be my wife, Kay ☐. (I hate to eat alone)! **If** I do that I will advise you all so that those who might change their mind can also bring your wives along if you want. I just need an idea of how many might attend so I can advise the restaurant. The tentative plan is to have it as always on the third Wednesday of the month at **1130**, so that would put it on **April 15**, which I'm sure you recognize as funding the government day! ☐....or as some would say, "bend over and spread `em" day. ☐ I will advise you of who is coming as we get closer to the date so you can cancel if someone is coming that just really pisses you off! Hope everyone is well and not suffering from the bug, and I look forward to seeing those of you who have the "big ones" to venture out of your "safe houses" for a nice lunch. Since we typically cancel the luncheon in July due to the heat and everyone being out of town, this will probably be the last luncheon until we have the annual barbecue at Ray Booth's place next October.

Dave ☐
