

As you all are well aware, we have made numerous announcements reminding our members of the cutoff dates for making hotel and banquet reservations at the Tropicana Hotel in Las Vegas for our annual convention/reunion. The deadline for discounted hotel reservations has passed and the next deadline is next Monday, May 7, for making banquet reservations at the convention.

While we do appreciate those of you who make your reservations in a timely manner so that we can effectively plan the convention banquet and other activities, we do recognize that some of our members do not make convention reservations prior to the stated deadline because of schedule conflicts, health issues or other personal considerations. We also are aware that sometimes these situations change at the last minute and some members who have previously decided to not attend the convention may ultimately decide that they would like to attend.

With this in mind, we would like to advise our members who may decide at the last minute that they would like to attend the convention that reservations can be made up to two days prior to the date of the banquet on May 15. Our President Tom Doherty has arranged with the Tropicana event planner for us to be able to do this. Since the deadline for obtaining the group room discount for the Tropicana has passed, members who decide at a late date to attend the convention will have to arrange for their hotel accommodations with no guarantee of the Golden Eagles discounted rate (of course it never hurts to ask!).

Late reservations can be made in the normal manner using the forms provided on our website, www.thegoldeneagles.org, under the Convention heading. If you are a member who has decided to attend the convention past the deadline for making reservations, we are pleased that you will be able

to attend and we look forward to seeing you there.
