

The sad news that former Golden Eagles member Captain Joe Portlock has taken his last flight West was just provided by Golden Eagles member Captain Jim Farrow. There are no details of Captain Portlock's passing other than it occurred around the first of May. No services have been announced. Additional information will be provided as it is received.

Captain Portlock was a pilot/flight instructor with Frontier Airlines prior to its being acquired by Continental. He subsequently served as an Assistant Chief Pilot in the Denver Chief Pilot's Office and later served in the Continental Flight Training Department.

The Golden Eagles sends its condolences to Joe's family and wishes them peace and comfort at this difficult time. We also wish Joe smooth air, favorable winds and clear skies for his final flight. Rest in peace Captain, and Godspeed. You will be missed.
