

THE GOLDEN EAGLES

Captain Jim Moore

April 11, 1948-May 2, 2023

The very sad news that Golden Eagles member and retired Continental Captain Jim Moore has flown West was just received from Golden Eagles member Captain Dennis McDonald. Dennis` email containing limited details of Jim`s passing is posted below. We will provide additional information when it becomes available.

The Golden Eagles sends condolences to Captain Moore`s family as they attempt to come to grips with this unexpected tragic loss. We wish them peace and comfort at this difficult time. May Jim have smooth air, favorable winds and clear skies for his final flight West. Rest in peace Captain, and Godspeed on your final journey West. You will be missed.

Here is the text of the email received from Captain Dennis McDonald this morning:

Just got off the phone with Jim Anstett and have to report that we have lost one of the really good guys (both in the office and on the line). Jim Moore died last night from a massive heart attack.

On Sunday, Jim was working in the yard, when he didn't feel well and his wife took him to an urgent care facility where they determined he was having a heart attack. They called an ambulance and immediately transported him to Parker Adventist. The doctors found he had blockage in basically all of his arteries up to 100% in one and 99% in another. In trying to put in stents he went into cardiac arrest. After up to five hours of working on him it was determined that he should be moved to Porter Adventist in Denver. He was on maximum life support at that time and finally early this morning his heart and other organs gave out.
