

The primary mission of the Golden Eagles social organization is to enhance and perpetuate the relationships created during our airline careers and to add to the friendships made during that special time. In keeping with this purpose, the Golden Eagles is happy to honor retired flight attendant Pete Ramsey`s request to "pass the word" to our ex and current Continental members regarding a planned reunion to be held in Denver on October 14, 2023 by the ExCon Social Club. As the organizer of this organization, Pete has asked if we could share the information with our members, and of course the answer was "of course".

While we are not officially associated with the ExCon Social Club, we do support what they stand for and we are happy to help them advertise their events. Pete asked us to post the following announcement. Make plans to attend....it should be fun.
