

Captain Joe Abell

The sad news that former Frontier and Continental Captain Joe Abell has flown West has been provided by Golden Eagles member Captain Dave Sanctuary. Joe had been residing in Bentwater, near Conroe, Texas with his wife of 64 years, Sally.

Joe took his final flight West on Saturday, May 11, 2024.

Captain Sanctuary had this to say about Joe Abell in his email: *"Joe was one of the nicest, gentlest men I've ever known. He was former Frontier Airlines, preceding me by about five years. He was a check airman on the MD-80 and spent a few years as fleet manager. A truly wonderful, kind and thoughtful friend".*

The Golden Eagles sends condolences to Captain Abell's family and we wish

them peace and comfort as they grieve the loss of their loved one. May Joe have smooth air, favorable winds and clear skies for his flight West. Rest in peace Captain, and Godspeed on your final journey.

This brief notice is very limited in nature but has been provided so that our members can have timely information about the passing of one of their friends and former co-workers. More details will be provided when they are received. Joe`s wife, Sally, has indicated that there will likely be a memorial service sometime in June; details will be provided.
