

The December issue of the Golden Eagles Golden Contrails magazine is now on the website, [www.thegoldeneagles.org](http://www.thegoldeneagles.org), and has been mailed to those desiring a hard copy. As usual, concurrent with the publishing of the Golden Contrails the password for accessing certain features of the website has been changed. The new password is **acars**, all lower case.

Thanks to our magazine editor and President Elect Gary Small for producing another very informative and entertaining issue of the Golden Contrails and thanks also to those members who contributed their personal stories and experiences for our reading enjoyment. We hope more of you will share some of your activities with your friends and fellow Golden Eagles members. It's always a treat to see what our old friends are up to. The "Crew Room" section of our website is a great place to do this.
