

The sad news that Golden Eagles member Captain Rick Masterson flew West today, November 4, 2022, was just received from Golden Eagles member Captain Fred Ordway. Captain Masterson was a LAX 787 Captain and retired in 2000. He apparently succumbed to brain cancer and was just recently admitted to a hospice facility.

We only have limited information about Captain Masterson`s passing, but we will provide further notice when additional information is received.

The Golden Eagles sends condolences to Rick`s family and we wish for them peace and comfort as they say goodbye to their loved one. May Captain Masterson have favorable winds, smooth air and clear skies for his final flight. Rest in peace Captain, and Godspeed on your flight West.
