

The message below is from Golden Eagles Membership Chairman Captain Mark Sheprow regarding the Newark annual holiday party

Hello All Golden Eagles,
2022

11 Nov

The **Newark Annual Holiday Party** co-sponsored by the UAL ALPA LEC 5 (EWR/NYC) and the EWR Chief Pilot's Office and previously held in December, **will not be held in 2022.**

The Holiday Party particularly celebrated those Newark-based pilots who retired in the last year, and current year's new hires based in EWR. Since so many CAL pilots flew from EWR, the parties tended to have a pretty good turn-out of CAL alumni, both recently and past retired, and those still working. Having attended all the Parties since

2016, I will attest that they were a real blast to be at, and I am disappointed at its 2022 cancellation. I do not know the specific reasons for the decision to not have the Party this year.

During the late summer and into September, a recall vote regarding all three LEC 5 Officers was held, and all 3 were recalled and forced out of their LEC positions. When I asked about the Holiday Party, it was insinuated that the turmoil in LEC 5, perhaps tied to recent contract negotiations, precipitated the recall election, and the new leadership was not in favor of the Party, or at least not willing to organize it this year. It was mentioned that a replacement party might be considered for the spring sometime. If I learn of such a party, I will inform the Golden Eagles.
