The following additional information regarding Captain Dave Furuli`s flight West on November 16 was provided by his daughter, Carol Winten. Carol`s email has been posted below for our members information and is provided subsequent to the Gone West notice that was sent to our members on Friday, November 17, 2023.

Carol Winten`s email:

Hello Dave,

Thank you for sending this information to the Golden Eagles group. Dave had his heart set on going to the Houston reunion this year and had planned to attend with tickets and hotel reserved. Unfortunately, in March 2023, Dave was diagnosed with stage 4 renal (Kidney) cancer. The cancer became very aggressive and spread to his liver, lymph nodes, lungs and brain. Thankfully, the brain tumors never effected his cognition or beautiful mind and he was fortunate to spend his last days at home comfortably and passed peacefully.

I will be monitoring Dave's email. If anyone would like to send thoughts or stories or wants something read at his Celebration of life service on Wednesday, November 22, 2023 at 1:30 PM PDT, I would be happy to include it in the service. The service will be live broadcast on YouTube available live and for future viewing if desired. It is with a grieving heart to announce the passing of our precious David Furuli on November 16, 2023 at 9:15PM PDT. He died peacefully at home in Kalama, Washington with family by his side. He has gone home to the Lord after a valiant fight against a very aggressive cancer which progressed at a far greater pace than expected. He walked this path exemplifying courage, acceptance, grace, and love.

Dave's passing coincided with the wedding anniversary to his departed wife, Jacquelyn Furuli, who we lost to cancer a short 16 months ago. Today, November 17, 2023, we also honor Dave's 83rd birthday. We praise God that Dave is celebrating the day of his birth with Jesus and the heavenly hosts. What a heavenly celebration he must be having with Jackie (mom) and all of those family members gone before us.

We pray that today would be a blessing for the family, a blessing for friends, and an opportunity for us to remember Dave and give our heartfelt gratitude for all the time we got to spend with this amazing, unique, talented, and wonderful man.

A celebration of life service is planned next week, at the Riverview Church in
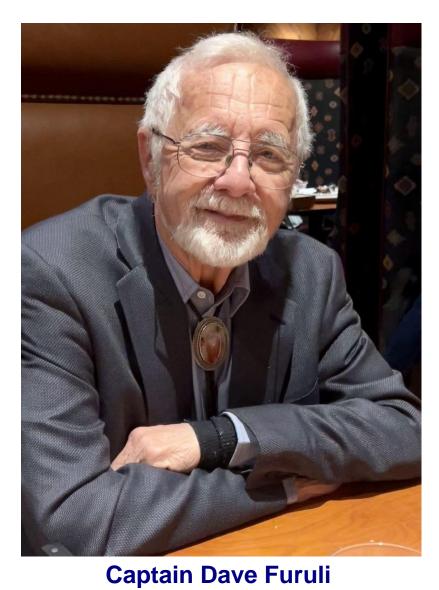

Kalama, and a graveside service in Granby, Colorado in the spring of 2024. Once arrangements are finalized, the details will be posted.

I want to extend deep appreciation for the tremendous expressions of love, kind words, thoughts, and prayers as we navigate this journey and celebrate Dave as a true God given gift. One who has shown such compassion, love, patience, wisdom to all, will forever be in our hearts.

Blessed are they that mourn, for they shall be comforted.

Matthew 5:4
