

The sad news that former Continental pilot Bob Farrell has flown West was just received from Golden Eagles member Captain Bill Bauer. Here is a copy of the email notice received from Bill:

More sad news for CAL pilots. I received word from Bob's daughter, Tiffany on 10/21 that Bob had a massive heart attack and passed away on 10/20. I wanted to get approval to release this information to the Golden Eagles and all the CAL pilots that knew Bob. Tiffany has not finished his obituary and will forward it to me when completed. FYI. Bob retired from flying with Singapore Airlines.

The Golden Eagles sends condolences to Bob`s family and wishes them peace and comfort as they grieve their loss. Rest in peace Captain, and Godspeed on your final journey.

This notice is preliminary to a more complete notice when we receive Bob`s obituary from his family. The photo below is circa 1980 and was obtained from

the Tale of the Golden Tail publication.
