

The sad news that former Continental Captain Dave Beall has flown West was just received from Golden Eagles member Captain Pete Fusco. Here is a copy of the email message from Pete:

Hi Dave, I have the difficult task of reporting the death of my dear friend Continental Airlines Captain Dave Beall. Dave died unexpectedly this morning (November 16th) at his home in Hot Springs, Arkansas. I received the news from Linda, his wife of many years. No service is planned. The couple did not have children.

Dave was a Navy pilot who saw a good deal of action in Southeast Asia. He was also a Texas Ranger. Dave will be remembered as a fine pilot and someone who was always fun to be with. His quick wit and often self-deprecating sense of humor will be missed.

Captain Pete Fusco

The Golden Eagles sends condolences to Captain Beall's family and we wish them peace and comfort at this difficult time. Rest in peace Captain, and Godspeed on your final flight West.

Additional information will be provided as it is received.
