

Hi everyone,

Next Wednesday, October 21, is the date for the Golden Eagles regional reunion at Captain Ray Booth's place, Pilot's Landing, on Lake Travis near Austin, TX. The event will be held in Ray's large party barn, Pilot's Pub. While it is called a "regional" gathering, all Golden Eagles members are invited nationwide. So for those of you who are not fortunate enough to live in the great state of Texas, we sympathize and feel your pain, but we hope that you will give yourself a kitchen pass, mount up your favorite mode of transportation, whether it be car, motorcycle, bicycle, roller skates, airplane, horse, mule, covered wagon or whatever, and come visit the Hill Country for a day or two or three or? It is beautiful in the Hill Country this time of year, and the weather is supposed to be great, with temperatures in the 75-80 range. For those living in Texas, drop on over and sit a spell, ya` hear! Free food and drink....how can a pilot resist.....?.

Some folks will be arriving early on Tuesday the 20th for a happy hour at Ray's party barn, Pilot's Pub, so if you arrive early, come on over for a cool one, snacks and some country/western music Tuesday afternoon around cocktail time or so. The happy hour for those who arrive early on Tuesday will be like the old hospitality suite we had at past conventions with free drinks and light snacks. The barbeque and fried chicken dinner on Wednesday will be buffet style with tables and seating for all. There will be a cocktail/social hour at 3:30 with complementary beer, wine, other spirits and non-alcoholic beverages available. The party barn has large doors at each end for good ventilation so there should

be minimal concern about, well, you know ☐. The party barn is decorated beautifully and you will enjoy the atmosphere!

So far we have about 46 members and guests who have stated they will attend, and there may be a few more at the last minute (as usually happens!) See the list of attendees below. There are several nice motels in Marble Falls for those who wish to stay over, and Ray even has a few extra bedrooms for anyone who might need one (first come, first served).

Remember there is no charge for attending this event since our President Gary Small has agreed to pick up the tab☐.....just kidding☐, ***the Golden Eagles treasury is funding the food and drinks.*** We are having the barbecue and fried chicken catered by a local restaurant and the food is excellent.

It is not too late to make plans to attend this gala event. You can let me know at davebnewell@gmail.com if you decide to attend, or just show up since we should have plenty of food and drink! ***The details and directions are posted in our monthly updates for the last three months. Feel free to contact me if you have any questions, Dave Newell cell at 830-688-0561.*** If you did not receive the last monthly update, check your spam folder. The latest list of attendees is posted below. To those who were unable to attend due to health issues, we hope you get well soon, and know that you will be missed.

Hope to see you there, and thanks to Ray and Mary for providing such a great venue for our reunion.
