

Hi everyone,

In about five days some of our HCLAC members and other Golden Eagles members and guests will be arriving at Ray and Mary Booth`s place on Lake Travis for our annual barbecue dinner gathering and this year it will also be a regional reunion for all GE members. So far we have about 45 confirmed attendees, but due to sudden illness (non-Covid!) and other issues, some others have had to cancel. There are still a few last minute responses from a few folks who plan on attending if things work out for them. Clearly some folks are still a bit uncomfortable with attending a group event due to the continuing Covid scare, and we understand and respect those feelings. So, we still are looking forward to having a fun get-together at Ray`s on October 21 at 3:30. Some will arrive early on the 20th

to get a headstart on some cold beer and happy hour fare!

We are sorry to report that some of our members are experiencing some health issues (non-Covid) that have caused them to cancel their planned attendance. Charlie Starr`s wife, Cynthia, has some health issues that have caused them to cancel, and we will miss seeing them this time. Francia Gentry has unfortunately had some health issues that will cause her to miss the event, but hopefully Don will be able to grace us with his presence for at least a little while (if Francia will give him a kitchen pass!). We have heard that Paige and Kay Seats may not make it as planned due to Paige not feeling well; but we hope he will improve enough to join us. Just heard from Gary Humphries who was planning on attending, but he has been dealing with a case of pneumonia and unless he shakes it off by next week, will not be able to attend. We hope all these good friends will feel better and recover soon from their maladies, and of course we will miss them at the reunion. Of course we hope any other of our members who may be experiencing some health issues that have caused them to miss the reunion will get well soon.

Clearly the Covid issue is still a big concern for some folks, and this seems to have had an effect on the attendance at our reunion this year. We hope and pray that we will continue to see improvements in this situation and that we can all put this virus thing behind us soon.

Here is the latest list of attendees for your information:

BBQ reunion oct 21, 2020

Ray and Mary Booth
Dave and Kay Newell

Don Gentry
Wayman Curry
Buck and Karan Wroten
