

Hi everyone,

This is a reminder that the Golden Eagles is having a membership-wide reunion at Captain Ray Booth`s place on Lake Travis near Spicewood, TX on October 21st. Everyone is invited and *the details are contained in the previous monthly updates for August and September, and will be in the next update on October 15th. The details are also included on our Golden Eagles website, [www.thegoldeneagles.org](http://www.thegoldeneagles.org), under the Reunions section, Hill Country 2020.*

For those who are coming, there is an update for the gate code to access the gate at the entrance to the Windermere community, which provides initial access to Ray`s residence, "Pilot`s Landing". The new Windemere (first gate) code is **4310, or DC10**.
