

Here is the latest list of those who will be attending the Golden Eagles reunion at Ray and Mary Booth`s place on Lake Travis. There were a few errors on the previously published list.

Also, here are the confirmed gate codes for access to the Windermere Airport road and Booth`s property at Pilot`s Landing. There has been some question about the correct codes.

NOTE: THE GATE CODE FOR THE WINDERMERE AIRPORT GATE HAS BEEN CHANGED TO 4310 (DC10). PILOT`S LANDING CODE REMAINS THE SAME, KEY 008727.
