

Greetings Hill Country Golden Eagles members,

The BBQ dinner at Ray and Mary Booth`s party barn, Pilot`s Pub, is now in the history books and everyone seemed to have a great time. The food, drink and atmosphere was excellent as usual, and of course the socializing was most enjoyable. For sure we missed those who could not attend, but in spite of the smaller than usual turnout due to other commitments by some of our members, the smaller group allowed for some very pleasant interaction and conversation among those in attendance. The weather was nice and allowed for some enjoyable telling of war stories and other embellished remembrances by the guys outside in front of the pub while enjoying some cool refreshments. Of course the ladies in attendance enjoyed their "ladies social hour" inside the pub talking about the old men outside who were talking about the women inside! 😊.

The dinner was wonderful and everyone had a chance to visit with the other attendees during and after the meal. A big shout out is in order for Ray and Mary Booth who hosted the dinner and did all the work setting up the pub for the dinner. Ray`s son Rich and his wife Teresa also helped setting things up and cleaning up afterwards, and we owe them a huge vote of thanks for their efforts. It was great having them join us for the dinner.

We had new members join us for the dinner and it was great welcoming them to the group. Gene and Cindy Villanueva and PJ Markovits were the guests of honor. PJ's wife Kimmie unfortunately could not attend and we look forward to seeing her at another of our functions in the future.

A few photos of the event are posted below. Our next gathering will be the regularly scheduled luncheon at the Pecan Street Brewing Restaurant in Johnson City on Thursday, Jan 19, 2023 at 1130.
