

Hi guys,

Well it is about five weeks until our scheduled quarterly luncheon, which this year will again be a spouses included barbecue dinner at Ray Booth's party barn in Spicewood, TX on Lake Travis, planned for Wednesday, October 21 at 3:30. As you likely know already, the cost of the food and drink will be covered from the Golden Eagles treasury since this is also being held as a regional reunion for all Golden Eagles members and their spouses. We have had a few out of the area (regional but non-LAC) members commit to attend and are hoping for more positive responses from the membership at large.

As you know, since we have decided to no longer have the annual conventions, we have felt and hoped that regional reunions will take the place of the annual conventions and the camaraderie they provided. This is the first attempt to have one of these "non-convention type" reunions and we hope we have a good enough turnout to indicate such a concept will work as a substitute for the conventions. ***So I am asking all of you members of the Hill Country LAC, who is sponsoring this reunion, to make a good effort to attend and support this event.*** So far we have only received positive responses from eight of our LAC members and their spouses. There have been five positive responses from "regional", non-HCLAC Golden Eagles members and their spouses and hopefully there will be more as the time approaches. We also anticipate there will be a few non-GE members who will attend as guests.

This reunion has been and will again be featured in the monthly update sent out to all Golden Eagles members so that everyone will be advised of the event. We hope we have a good turnout in spite of the lingering stigma of the Covid scare, and I do believe most of our GE members are of the opinion that any danger of contracting the virus at this point in time is very minimal. All the event details are being repeated in the monthly update and will be revised as necessary.

So, again, please make an effort to support this reunion event. The success or failure of this effort will impact our future decisions about having more reunions. We hope this concept works, and we hope you agree that it is a good plan going forward. When you feel you can make a decision about attending, PLEASE let me know yay or nay with the number you are bringing if attending so we can plan accordingly.

I am posting the list of those who have currently responded as attending at the end of this email.

Remember, the food and drinks are free, and **real** pilots NEVER, EVER turn down a freebie! ☐☐

Thanks, and I hope to see you there,  
Dave
