

On this night, September 10, 2001.....

246 people went to sleep in preparation for their morning flights. 2,606 people went to sleep in preparation for work in the morning. 343 firefighters went to sleep in preparation for their next shift. 60 police officers went to sleep in preparation for morning patrol. 8 paramedics went to sleep in preparation for their morning shift of saving lives and 1 K9 went to bed a good boy 🐾🐾

None of them saw past 10:00 am the next morning Sept 11, 2001. In the blink of an eye, their lives were cut short.

Tonight, as you prepare for bed in preparation for your life tomorrow, kiss the ones you love, snuggle a little tighter, never take one second of your life for granted and.....

NEVER FORGET!
